

## **20° International Swimming Meeting of Porto**

Once again I am deeply pleased to invite you to the XX International Swimming Meeting of Porto.

The success of the last contest makes us believe we are on the right track to continue the real purposes of this swimming competition. The expected presence of the Absolute National Swimming Team of Spain will once again give us the prerogative of using our Meet not only as the best National tournament for the Portuguese Swimming, but also taking it as the ideal contest for the achievement of international marks facing the possibility of LEN and FINA worldwide events.

The 2002 event will only be addressed to Absolutes. We regret not to be able to go on with the Age Groups together. But due to logistical conditions we were forced to give them up. As soon as the settlement of new polls is available, Age Groups will be back.

On the other hand, I realize that city of Porto, one of the European Capitals of Culture during this year of 2001, is now prepared to welcome all the foreign visitors, once the rebuilding are almost over and the streets have a warmer atmosphere. Besides there is something more than the Porto wine and, therefore, I will appreciate your presence together with a swimming team that will honour our Association and its Swimmers.

Looking forward to seeing you at Campanhã, I remain

Faithfully Yours,

The President  
Rolando Ferreira Dr.
